

Oven Ready Food Trays

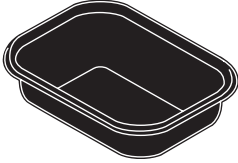

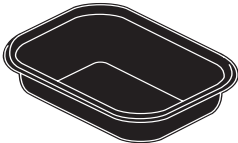

Quality
To Go!®

**Genpak**®

Genpak Oven Ready Food trays are produced using premium quality PET material that is safe for conventional ovens up to 420° F or for microwave applications. Both trays will accept a film seal and are perfect for any prepared or frozen meal application.*

** For home oven use always preheat the oven to no more than 420°, use the center rack and always place the tray on an aluminum cookie sheet.*
