**Durable,
Sustainable
Portion &
Drinking Cups**

Harvest[®] Paper

Harvest[®] Paper products are durable, water-repellent containers made with renewable fibers sourced from SFI Certified sustainably managed forests. Showcase your signature condiments, desserts and sides with our economical and effective paper cups.

Features & Benefits

- Tightly rolled rims and convex base provide rigidity and stability
- Caddy packs available on select cone cups
- Multi-color printing on cone water cups
- PEFC Chain of Custody Certified Fiber
- BPI Certified Portion & Water Cups
