leave a lasting impression with
custom container embossing

SHOWCASE YOUR BRAND ON TOP-QUALITY FOODSERVICE PACKAGING

Increase brand recognition with custom embossing. Placement of your logo on Genpak's top-quality containers merges brand awareness, customer convenience, and enhanced takeout and delivery operations. Embossing, ultimately, helps customers connect positive takeout and delivery experiences with your restaurant. Most importantly, Genpak containers help maintain meal freshness and preserve presentation.

Versatile and durable, embossed polypropylene containers are leak-resistant, reusable, can be stored in the refrigerator, and reheated in the microwave. Suitable for hot and cold food applications. Utilize effective foodservice packaging to help foster brand identity and customer retention with Genpak.

Embossing now available for all Clover™ and ProView™ hinged containers.
